

Orange Crush Club

Building Champions!

2009-2010 Membership Form

The mission of the Orange Crush Club is to give back to the students of West Memorial Jr. High. Our primary focus is on the athletic department however, the impact that strong Athletic representation can have will ripple throughout the entire student body and beyond the walls of WMJH out into the community. Through fund-raising, volunteering, and attending activities and events, the effect it will have on the coaches and students will be outstanding. Students follow examples, and if we want our young people to step up and do their best in activities, in school, and in life, they need to see the parents and community doing the same by showing their support.

Being a member of the O.C.C. will be rewarding in many ways, the most important is knowing you are there for the students and coaches. Another will be the friendships you will make with others who are there for the same purpose, to help make WMJH the best athletic department in KISD.

Each and every member of the O.C.C. will have an important role in the organization. There will be many opportunities to volunteer throughout the year, both at games and other events. There will be committees to join and to chair. Every moment you volunteer will make a difference to someone. It will take all of us to make this organization strong and to continue to grow. Just like any successful team, we have to support each other. WE NEED YOU!

Please join the **Orange Crush Club** and be a part of something great. You do not need to have a student in Athletics/Cheerleading to belong to the O.C.C. It's all about giving back to the students and being a part of the community we call "Jaguar Country".
